Compost Team Member Application

*Please email applications to Rob Townsend and Dylan Polcyn by Monday of 9th week (November 9th).* Appointment of new intern will be made by Friday of 10th week, or until viable candidates are found. The compost intern job description is included below. Please contact head compost team member, Dylan Polcyn (k12dp03) for additional information or with any questions.

1. Why are you interested in working as a Compost Intern?

2. What is your level of experience composting? If you have no previous composting experience, what other skills or experiences do you have that make you a qualified candidate?

3. The on-campus compost program currently manages food waste from the 7 Living Learning Houses, The Book Club, and 15 off-campus houses. The Earth Tub Composting System, manages all cafeteria food waste. How do you envision the Kalamazoo College compost program growing and expanding in future years?

4. One of the hardest parts of this job is campus outreach and advertisement. Do you have any experience with either of these? How would you plan to educate your fellow students about the compost program and the importance of food waste management?

5. We will be a small staff managing a significant amount of work on a daily basis. How many hours per week would you devote to this job? What other commitments do you have at K?

6. Can you lift up to 50 lbs?
   
   Yes______  No______

7. Will you be willing to work in the cold and snow?
   
   Yes______  No______

8. Are you willing to commit to this job from now until you graduate?
   
   Yes______  No______
