Respecting Differences

Gender Inclusion

April 12, 2017
Scott Turner Schofield

WMU Miller Auditorium
2200 Auditorium Drive, Kalamazoo, MI 49008
9:30 a.m. and 1:30 p.m.
Gender Inclusion

Scott Schofield’s brilliance lies in his ability to talk about intersectionality—the way that the topics of biological sex, gender, and sexuality are influenced by factors like race, socioeconomic status, geographical location, and disability. As people experience gender in their own way, he strives to offer a framework for looking at these topics and not a one-size-fits-all “answer” to a “problem.”

Speaker: Scott Turner Schofield
