

**KALAMAZOO COLLEGE SECURITY
CRIME and FIRE STATISTICS 2017**

To comply with "The Crime Awareness and Campus Security Act of 1990," as amended by "The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998," the College on an annual basis will publish the following reported crimes which occur on campus, in or on Non campus buildings or property, and on public property: murder, sex offenses (forcible and non forcible), robbery, aggravated assault, burglary, motor vehicle theft, manslaughter and arson. Additionally, the number of arrests and campus disciplinary action for the following offenses will be reported: liquor law violations, drug-related violations, and weapon possession.

The statistics reported below have been obtained from the following sources:

- Kalamazoo Public Safety Computer Services Department.
- Kalamazoo College Security Department.
- Faculty/Staff of Kalamazoo College (Crime Statistic Report Form).

The security director reviews the Crime Statistic report form submitted by Faculty/Staff to avoid duplicating crime statistics and for the proper classification of the offense. The police department's computer printout is compared to the College's crime log to avoid duplication of reported offenses.

FIRE SAFETY PLAN

Fire safety is a serious concern of the College. The goal of this policy is to promote an orderly evacuation of college buildings in case of emergency and during fire drills. Emergency fire services are provided by Kalamazoo Department of Public Safety. For the purposes of fire safety reporting, a **fire** is “Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.” All fires must be reported to Campus Security, Residential Life, and Facilities Management.

Fire Drills. State law requires fire drills. The College conducts drills every quarter within the resident halls. Whenever a fire alarm sounds, persons are expected to leave the building quickly and in an orderly manner by the nearest exit. All windows and doors should be closed, but not locked. Persons may not re-enter a building until instructed to do so. Those who fail to vacate buildings when an alarm sounds are first endangering themselves and others, and secondly are in violation of state fire codes.

Fire Evacuation. Pull the nearest fire alarm box on the floor; call 911 and Campus Security at 337-7321. Be prepared to give the following information: Specific Conditions (smoke, fire, etc.) Specific Location (building, floor, room) your name and location. Notify those in the immediate area of the danger and assist in removing any disabled person from the immediate area.

Fire Exits. Posted building floor plans show fire exit routes and locations of fire extinguishers. Tampering with posted exits plans is prohibited. Fire exits or any emergency egress may not be blocked or tampered with in any fashion. Items, including furniture and bicycles, may not be stored in or near fire exits.

Fire Suppression/Sprinkler Systems. Residence Halls, Academic, and Business Buildings are equipped with fire monitoring and suppression systems installed by and maintained by Approved Fire Company. Attaching or hanging anything from any portion of a sprinkler system, including pipes and sprinkler heads, or activities that may damage or accidentally activate the system in any fashion (e.g., playing sports in a residence hall hallway) are strictly prohibited.

Fireworks and Explosives. The possession or use of fireworks or explosives on campus is strictly forbidden. See policy at: <https://reason.kzoo.edu/studev/policies/weapons/>

Open Flames. Open flames, including candles, are prohibited by the city fire code. Playing with fire in any manner, whether or not damage or injury occurs, is strictly forbidden.

Prohibited Items. A list of items prohibited for health or safety reasons in the residential system for safety reasons can be found at: <https://reason.kzoo.edu/reslife/policies/prohibited/>

Smoking and Burning Incense. Smoking and burning incense (or other materials) is prohibited in all classroom, administrative, athletic, and residence buildings on campus. See the College's smoking policy at: <https://reason.kzoo.edu/studev/policies/smoking/>

Tampering. Tampering with the following equipment, furnishings, and infrastructure, and similar items, is prohibited: window screens, doors, locks, safety devices, smoke or fire detection devices, fire extinguishers, exit lights, pull stations, sprinkler/fire suppression systems (including sprinkler heads & control valves), electrical wiring, outlets, fixtures, plumbing, telephone, computer or TV cable.

Sanctions. Violators of any of the above policies and those who endanger others will be subject to the full range of sanctions available to the College, including, but not limited to fines, restitution (including repair and replacement), removal from the residential system, suspension and expulsion.
