HORNET LEADER
JUMP-START

Are you a new Hornet and want to figure out how to find your place on campus as a leader?
Are you a returning Hornet in a leadership role and want to fill your toolbox with resources that will make your experience great for you and your organization? OSI has created a series of programs to address all of this and more! Check out the inaugural Hornet Leader Jump-Start and lay the foundation for a successful year at K!

All events are FREE. RSVP is NOT required.

Visit https://reason.kzoo.edu/studentactivities/hljs/ for more information!

The list of programs include but is not limited to:

9/16- The Involvement Fit
7-8 pm Hicks Room 111 A&B
Learn how to select your involvement wisely to have the best possible experience instead of taking whichever opportunity happens to pop up next in this interactive session.

9/23- DO THIS ASAP: Communication Basics for Student Leaders
7-8 pm Banquet Hall West
This interactive session explores these issues and leaves those attending with THREE main points to remember - and how to be the most effective leader possible.

9/29- Reframing Delegation
7-8 pm Banquet Hall West
This workshop will look at reframing delegation into a tool that can be utilized to increase successful project outcomes, support the development of team members, and take the burden off leaders who feel like they have to manage it all.
