Join us for a fall journey of First-Year Forums! Coming to college might be the greatest change you’ve made in your life so far. You are building a new life, making your own decisions, reshaping your expectations, expanding your sense of self. First-year forums help you along the way as you construct your life at K.

First-Year Forums are designed to help new students:
- achieve academic success
- identify and pursue their passions
- connect with the Kalamazoo College and the greater Kalamazoo communities
- construct complex intercultural understandings
- develop a purpose-filled and balanced life

Forums fall into five groups. **All first-year students are required to attend one First-Year Forum in each group.** Many attend more. If students attend fewer than five Forums, two percentage points for each Forum missed will be deducted from the final Seminar grade. Mark your calendars and **plan ahead** to ensure you attend the requisite number of Forums.

- **Group 1: Social Justice and Civic Engagement**
- **Group 2: Intercultural Understanding**
- **Group 3: Personal Decision-Making and Habits**
- **Group 4: Career and Professional Development**
- **Group 5: Academic Success and Independent Scholarship**

**GROUP 1: SOCIAL JUSTICE AND CIVIC ENGAGEMENT**

**More Than a Job (Alison Geist)**

Work off campus! Come learn about paid federal work study positions and unpaid opportunities working with public schools and community based organizations to promote educational equity in the city of Kalamazoo. The Center for Civic Engagement offers over 100 paid jobs- no personal transportation required.
