RE: Assigned Responsibilities under Federal Legislation: The Clery Act and Title IX

DATE: September 25, 2017

Under federal legislation - the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act - a.k.a. ‘The Clery Act’, and Title IX - members of the campus community have “respond and report responsibilities” for crimes that occur on campus. We are monitored for our compliance with these pieces of legislation by the U.S. Department of Education. The College’s federal financial support, including financial aid, loans, grants, and research funding, depends on our careful compliance with requirements to:

- Report campus crimes (see below)
- Publish and distribute an annual Campus Security Report by October 15 of each year. (Available on the College’s website at www.kzoo.edu/studentlife/?p=security)
- Inform current and prospective students and employees about the Campus Security Report.
- Provide timely notice to the campus on crimes considered threats to safety.
- Maintain a log of all reported crimes.
- Make notification of where public information about registered sex offenders on campus can be accessed.
- Make available the EADA Report (Equity in Athletics Disclosure Act) http://hornets.kzoo.edu/information/EADA/index.

Under Title IX, all employees, with the exception of campus Counseling Center psychologists and the Chaplain, are required to report incidents of sexual misconduct of which they become aware. Employees are required to report all of the information they know (student names, incident, date, and so on) to the Dean of Students, the Title IX Coordinator, the Director of Security, the Provost, or the Director of Human Resources. Under Title IX, the institution is required to conduct a thorough investigation and take appropriate follow-up action under its policies.

Members of the College community must report the following incidents and any type of hate crime to Campus Safety (7321) for inclusion in the College’s crime statistics reports:

- Murder
- Manslaughter
- Murder/non-negligent
- Forcible and Non-forcible Sex Offenses
- Aggravated Assault
- Larceny-theft
- Motor Vehicle Theft
- Burglary
- Intimidation
- Destruction/damage/vandalism of property
- Arson
- Robbery
- Simple assault
- Domestic Violence
- Dating Violence
- Stalking

Under Clery, all employees are required to report an incident in the preceding categories to Campus Safety. With the exception of sex offenses, information may be provided to Campus Safety without an individual’s identification, as a statistic. Some measure of confidentiality can be maintained, if desired, because no personally identifiable information need be disclosed for such reports. So, while all incidents must be reported, one should seek a victim’s permission to disclose his or her name before including that information when reporting to Campus Safety. To be clear, all incidents of sexual misconduct must be reported with identifying information.

Your assistance in complying with the expectations of these federal laws is much appreciated. We understand that this memo includes a great deal of information. If you have questions, please contact either of us promptly.
