Ready to retire?
If you’re 65 or older, contact Social Security three months before you retire to enroll in Medicare Parts A & B. Call 800-772-1213, or visit socialsecurity.gov. Then call the Emeriti Service Center to request an insurance enrollment kit.

If you’re under 65, use your account to get reimbursed for health insurance available on the individual market.

Covered under a spouse’s health plan?
Contact Social Security and let them know. You don’t need to enroll in Medicare Part B until your spouse separates from employment. When that occurs, call the Emeriti Service Center to request an insurance enrollment kit.
