In Event of Injury on Campus or at a College-related Event

Serious or life-threatening injuries
- Call (9-) 911 for an ambulance.
- Then contact Campus Security at 269-337-7321.
- Have someone go to the street to direct the ambulance staff.
- Provide assistance. Know where the first aid kit and Automated Electronic Defibrillator (AED) is located in your building.

Other injuries
- Students may go to the Student Health Center during clinic hours.
- Work-related injuries incurred by faculty, staff and student employees are treated at the CorpFit Clinic at Borgess Hospital. Contact Human Resources at 269-337-7223, -7225, or -7248 for an appointment.

Report all injuries asap
- Student injuries should be reported to the Student Health Center at 269-337-7200 and to Student Development at 269-337-7209 or -7210. Work-related student injuries must also be reported to Human Resources at 269-337-7223 or -7225 or -7248.
- Faculty and staff injuries that are work-related must be reported immediately to the supervisor and to Human Resources at 269-337-7223, -7225 or -7248.
- All other campus injuries incurred by students, faculty, staff or guests should be reported to Campus Security at 269-337-7321, the Business Office at 269-337-7285, and to a President’s staff member.
