Attention Returning Students (and families)

YEARLY Health Insurance Information

In an effort to ensure all students have access to healthcare, Kalamazoo College requires students to carry adequate health insurance. To comply with Kalamazoo College’s Health Insurance Policy, ALL STUDENTS must accept or decline the College health insurance plan by August 1 of EACH ACADEMIC YEAR to avoid charges on the College bill. If the College health insurance is waived by September 1, it can be removed from the bill. If it is NOT waived by September 1, you will automatically be enrolled in and billed for the student insurance plan for the entire policy year.

The ANNUAL health insurance enrollment/waiver period is May-August to be completed at www.kzoo.edu/AIGhealthinsurance.

Please note, to waive the Kalamazoo College Student Health Insurance Plan, your health insurance must meet the following requirements:

- based in the United States (compliant with all Federal PPACA guidelines)
- have a deductible that is $2000 or less
- have in-network coverage in the Kalamazoo area (must not be out of state Medicaid or out of state HMO).

These requirements will be verified during the waiver process. If your insurance doesn’t meet the requirements, you must enroll in the Kalamazoo College Student Health Insurance Plan by August 1.
