Davis Projects for Peace  
Proposal Instructions

About

Davis Projects for Peace is an initiative open to all students at schools that belong to the Davis United World College Scholars Program (including Kalamazoo College). Students design their own grassroots projects for peace that they themselves will implement anywhere in the world during the following summer. One hundred projects will be selected from proposals from over 85 campuses for these $10,000 grants. Kalamazoo College is guaranteed to receive one grant each year.

For more details, including a description of K's winning projects, see the Davis Foundation website: http://www.davisprojectsforpeace.org/projects
