Social Justice Training Session

Do you want to see change in our world and on our campus? Do you want to learn more about social justice and how to effect it as a change agent? The Office of Student Development is hosting a Social Justice Training Session the weekend of sixth week with speaker Samuel R. Offer. Students may register for the session in the Student Development office until February 13th. Sessions will take place in the Hicks Center Banquet Hall from 4pm to 9pm on Friday February 15th and 9am-4pm on Saturday February 16th. Students must commit to both days. Students who register will still be able to participate in Monte Carlo.

Tip of the Month:

Call Your Family and Friends

Winter and spring quarters are a marathon. You probably have a million things to do each week, but amidst all the hubbub it’s important not to lose touch with your family and friends in other places. Talking to people outside Kalamazoo College can be a refreshing break from our busy lives here. Make some plans for spring break, talk to someone you haven’t seen in a while, update your parents on what you’ve been doing at K. It’s worth the time.

Get Excited about Monte Carlo!

The Student Activities Committee (SAC) is always looking for new members! SAC is Kalamazoo College’s student-led activities organization that puts on popular events throughout the year. SAC puts on some of the most beloved campus events each year—including Monte Carlo, Spring Fling, the Homecoming tailgate, Exam Week Extravaganzas, and many more! The committee is always looking for new members, particularly underclassmen who can carry on the legacy into the future. Membership in SAC is an important campus leadership position and becoming involved will help you make your mark on activities on Kalamazoo College’s campus. SAC meetings are held at 8pm on Wednesday evenings in Hicks 111. More information is available on the committee’s website at: https://reason.kzoo.edu/sac/.
