Welcome back to Kalamazoo College for the Winter 2013 Quarter!

We were blessed with a particularly long winter break this year and the Office of Student Involvement hopes it was a restful and fun-filled break for all students, with perhaps a little work, internship, or research experience on the side. This Winter Quarter is the perfect time to get more involved on campus. This quarter, our college can boast more than 70 Student Organizations, dozens of great events held all around campus, and our annual Monte Carlo celebration. There is something for everyone and OSI strongly encourages you to find a new interest, explore a new skill or cause, and engage with the great entertainment available at Kalamazoo College this quarter. Quarters go by fast, so make sure you enjoy this one before it’s gone!

Monte Carlo Preview

It’s time to start looking forward to another outstanding Monte Carlo hosted by SAC! “An Evening of Fire and Ice” will be held at WMU’s Fetzer Center from 9pm-12am on Saturday February 16th (sixth week). Check-in is in the Hicks Student Center Banquet Hall and buses will leave for the Fetzer Center every 15 minutes. Everyone is encouraged to check in before 10pm to reduce congestion. Students who arrange their own transportation must check in at the Fetzer Center. Any K student may bring up to two guests for a fee of $5 per guest. Dress your best and please remember, this is an alcohol-free event.

As OSI, we love to see Student Organizations put on great events. A good event starts with a great idea and an event registration with OSI at https://reason.kzoo.edu/studentactivities/stuorgs/. Registering your event allows you to reserve a room, advertise on campus, and rent necessary equipment. Funding for StuOrg events is primarily available through the Student Commission whose budget request forms are available at https://reason.kzoo.edu/stucomm/budget/. Budget requests must be turned in to k11cg02@kzoo.edu at least 7 days before any event or expenditure. Requests under $1,069 can be approved by committee on Sundays at 9pm in the StuComm office; larger requests must be approved at the Commission Assembly Mondays at 9pm in Hicks 111. StuOrg leaders are strongly encouraged to attend meetings at which their requests will be discussed. If you need help with contracts, funding, or any other event matters, please contact us at the Office of Student Involvement.
