StuOrgs: Look Ahead to Fall

As Student Organizations transition their leadership, now is the time to start thinking about events for the fall. This summer is a golden opportunity to make plans for your organization for next year. Think about your K Fest table, put together an event or two, and make plans to recruit students for your organization during fall quarter!

The Student Commission will be in session this summer and you can send in budget requests for the fall before classes begin. Please consult reason.kzoo.edu/stucomm/budget/ for more information. The budget is first come, first served, so get your requests in early!

You can register events for the fall or apply to create a new student organization at reason.kzoo.edu/studentactivities/stuorgs/. Please contact Kate.Yancho@kzoo.edu if you would like to discuss Student Organization events over the summer.

Finals Aren’t Forever

Finals are tough and the last few weeks of a quarter can be the hardest. But they won’t last forever. The last finals end at 4pm on Wednesday June 12th and after that, school’s out for summer! Whether you’re graduating, leaving for study abroad, or just looking for a break before next fall, summer’s almost here. Attend Exam Week Extravaganza, make plans to celebrate the end of the year, and have some fun with friends before another year’s gone!
