**KALAMAZOO COLLEGE**

**OCTOBER 2012**

---

**TIP OF THE MONTH:**

- Pace yourself

Many people don’t realize how easy it is to overwhelm and stress yourself out. Students tend to forget that they are student first, and instead deeply involve themselves into their extracurricular activities. There is nothing wrong with becoming a prominent member of a student organization or sports team, but just remember to leave time for your studies. If you feel overwhelmed, take some time out for yourself and your well being.

**Homecoming**

Hope you’re gearing up for the fun filled Homecoming week that is approaching very fast. The festivities start on Monday, October 15th, and continue through the week concluding on Saturday, October 20th with the big Homecoming football game at the brand new field complex, as well as the Homecoming Dance later that evening in the Anderson Gym. During the week, keep an eye out for a chance to win some fun spirit gear, which include orange wigs and mustaches, as well as beads, foam fingers and many more! There will be a special Wind Down Wednesday where students will be able to make their own spirit gear to show proudly at the homecoming game!

**Coming Out Week**

October is jammed pack with many different events and festivities. Everything from Homecoming week to many Beyond the Hive trips to the Frelon Fall showcase to Haunted Hicks. October also happens to be the home of National Coming Out week. This is an important week for the LGBT community, not only here at Kalamazoo College, but also nationwide. K College’s very own LGBT group, Kaleidoscope will be celebrating National Coming Out week, which is October 7th—13th, by wearing a color of the rainbow for each day of the week. Everyone is encouraged to participate! The week will go as follows: Sunday—red; Monday—Orange; Tuesday—Yellow; Wednesday—Green; Thursday—Blue; Friday—Indigo; Saturday—Purple.

Have you ever sat in front of your TV, flipping through channels and thought to yourself, “There should be a channel with movies and no commercials!”? Good news for you: there is! Kalamazoo College’s basic cable also offers Channel 22. Although it is not listed on the main channel page, students can enjoy movies uninterrupted by commercials. The movies being shown are changed every month. There is a schedule each day follows, so students have the opportunity to watch the movie more than once. Since it is the month of October, there are a few horror films, such as Carrie, and Scream. Be sure to check it out!
