Facilities Management
Hard at work!

Among many of the projects the team at Facilities Management will be working on this summer is increasing the amount of study rooms available to students. On the second floor of Upjohn Library Commons, the team will be adding four additional study spaces to accompany the study rooms that already exist. The rooms will have a table and four chairs, a screen projector, and Wi-Fi hookups.

Developing Leaders: Students Attend Summer Leadership Conferences

Throughout the summer 14 Kalamazoo College students will be attending various leadership conferences in order to offer them the tools to be better leaders on campus. The conferences offer students the opportunity to meet student leaders from across the country and learn from them in their leadership stories. Building leaders at Kalamazoo College is a priority, and the summer is a great time to develop leadership skills and experiences!

Play Ball!

Kalamazoo College Athletics will be sponsoring Kalamazoo College Night at the Kalamazoo Growlers Baseball game on Friday July 18th. Coach Jamie Zorbo will be throwing out the first pitch and giveaways will take place at the game. Tickets can be purchased for $12 at Anderson Athletic Center or by emailing eweigand@kzoo.edu. We hope to see you at the game!

Growlers Game!

Three Kalamazoo College Students Attended Huge Leadership Weekend Institute hosted by the National Association for Campus Activities.

LandSea Prepares for Adventure

LandSea leaders and participants anticipate the departure that will take place on Friday August 22nd. The program will offer a 16-day trip filled with many outdoor challenges. As a pre-orientation program, it is a great opportunity for first year students to get acclimated to the college by building relationships on the trail and in the canoe.

Hannah Lehker (pictured above) as well as many other students sang songs and put on a show to be remembered. For the Spring A Cappella Concert.

Netflix: Kalamazoo College Edition

The Office of Student Involvement will be sponsoring a movie website all summer long. Be sure to watch some movies!

Summer Renovations:

The Index, the student publication organization, works over the summer to increase their online accessibility to students. Throughout the summer the leaders will be looking into options for making the website more ascetically accessible and hope to improve the website early fall quarter.

Easing Exploration

Recently, Kalamazoo College Student Commission passed a budget request that will allow for the creation of discount cards for students to area businesses. The Commission will use a company that specializes in the creation of these cards to offer K students a chance to more affordably explore the wonderful city where the college is located. The cards will have discounts to over 25 local restaurants and businesses. The discounts can be obtained through gaining one of the 800 paper cards or downloading the discount card app onto your smart phone and showing one of these two sources when utilizing a business that offers a discount. The Commission will be distributing the discount cards and app at no charge during the first week of classes to all students. Make sure to stop by and gain your opportunity to save!

Students enjoy South Haven instead of classes on the Day of Gracious living, a student declared break day that happens every spring!

Running down the pier was one way students spent their 2014 Day of Gracious Living! DOGL is a great opportunity to spend time with other students.
